Sparks fly between two ex-CIA agents when a White House sex scandal spins out of control and turns deadly.

Blackmail, coercion and undercover sex scandals are meticulously devised by the FLC, a secret society in the White House. When ex-CIA agents, Zoe and Jason, agree to put their damaged pasts behind them to manipulate a sadistic leader, Jason must train his ex-lover for her role as a submissive in a dangerous BDSM sex tape project.

But the bondage aspect of the plan takes their relationship on an emotional and sensual ride mixed with heartache, second chances and treachery. Life unravels when their target discovers the plan and devises one of his own, and it appears Zoe has betrayed Jason and her country. Torn between love and national security, can Jason protect the woman he loves from one of the deadliest enemies?
